Mobile 919-390-9650
dwood@AccuFabNC.com

Accu-Fab welcomes Daryl Wood to our team as Vice President of Manufacturing. He and his wife, Laurie have recently relocated from Southern California where Daryl managed a \$38 mil international OEM operation specializing in the manufacturing of computerized chemical fluid control systems.

Daryl has extensive Lean Manufacturing implementation experience and will be applying his expertise and manufacturing leadership skills as Accu-Fab continues on our mission of Excellence. Daryl and Laurie are spending time decorating a new home when they are not playing golf.
